

## Business Acumen

Through this course the participants will improve their judgment and decisiveness skills. Business Acumen is all about seeing the big picture and recognizing that all decisions no matter how small can have an effect on the bottom line. The participants will increase their financial literacy and improve their business sense. The course will help participants recognize learning events, manage risk better, and increase their critical thinking. Business Acumen has the ability to influence the whole organization, and provide that additional edge that will lead to success.
